Title: Teaching Circumference Instrument

Letter for Reconsideration,

I, Gerald Bauldock, am requesting that my application for a Teaching Circumference Instrument patent (application # 10/707,088) be reconsidered with the following amendments that were listed in the Office Action dated 6/24/04. The amendments are as follows:

- 1) The original Brief Description of Drawings has been modified as requested in the office action.
- 2) The original Detailed Description has been modified as requested in the office action.
- 3) The original Abstract of Disclosure has been modified as requested in the office action.
- 4) The original Claims have been modified as requested in the office action.
- 5) The original Figures have been modified as requested in the office action.

Gerald Bauldock

A handwritten signature in cursive script that reads "Gerald Bauldock".
